SOURCE

1. Referring to Report No. 10-5-46, dated 2 August 1946, of the U.S. Naval Attache, Oslo, Norway, the Intelligence Division, WDGS, requested:

a. Any and all available information on the location, size of a Dixon Island, reported to be located at 80° N. 50° E.

b. Any and all available information on an airfield reported to be located on Dixon Island.

2. Available records in CIG show no Dixon Island at 80° N. 50° E. The Army Map Service published a map in December 1942 which shows the island in its location with some slight detail.

3. Since this is an Army Service map, it is readily available and may be identified by the following information: "(46) Dikson Island, Aeronautical Chart. Stereographic Polar Projection Scale 1: 1,000,000." A tracing has been made of the area in the vicinity of, and including, Dikson Island which is included herewith for information.
